

**Widney Leisure Limited
Product Fiche
(Data Sheet)**

Date 30/11/2017
Issue A

Supplier	Widney Leisure Ltd	
Product Model No.	CS1EGL / CS1EGP / CS1EGPW	Full product code reference is colour dependent
Product Description	Curvascape ECO LPG Gas Fire	Landscape / Portrait / Portrait Wide
Energy efficiency class	E	
Fuel Type	G30	
No _x Class	4	Ref BS EN 13278 – Clause 6.7.2
Direct Heat Output	2.8kW	
Indirect Heat Output	N/A	
Energy efficiency index: (EEI)	70%	
Energy efficiency at nominal input	70%	
Energy efficiency at reduced input (1.9kW)	70%	
Auxiliary Electricity Consumption	N/A	
Permanent Pilot Flame Power Requirement	N/A	Pilot is classified as “intermittent ignition burner” (as defined in EN 13278 clause 3.3.2.3.2 page 12)
<p>Precautions :</p> <p>The appliance is supplied with a bespoke flexible flue and terminal assembly. Ensure that the flue is firmly engaged and fixed to the rear flue spigot of the fire and that any flue terminal capping devices (used for transportation) are removed prior to initial commissioning. Confirmed by smoke match test detailed in instructions</p>
