

Ecoflame 1 Electric Fire Range

Flat

The Ecoflame 1 is a landscape style, inset or wall mount fire featuring a realistic flame effect and Pebble fuel bed.

It is available with a Flat (illustrated) or Curved Black glass fascia (note Curved glass must be Partial inset fixing). It is supplied as standard 1.5KW output which, in addition to saving energy, makes it particularly suited to environments where pitches have limited power availability.

The Ecoflame 1 is supplied as standard with thermostat control and remote control.

The product complies with the ECO Design Directive (EU) 2015/1188
