

## Fuego ECO Electric Fire Range

FUEGO ECO

The Fuego ECO is a landscape style inset fire featuring a realistic flame effect and Pebble fuel bed.

It is supplied as standard 1.5KW output which, in addition to saving energy, makes it particularly suited to environments where pitches have limited power availability.

The Fuego ECO is supplied as standard with thermostat control and remote control. The product complies with the ECO Design Directive (EU) 2015/1188
